STARRED QUESTIONS

(to which oral answers were given)

Asphalting of Pala-Badami Road

*Q.—158. SRI K. P. GADAG (Gadag).—

Will the Government be pleased to state:—

(*a*) whether the asphalting of the side-widths of Pala-Badami Road passing through Gadag Municipal Area up to Narasapur Toll Naka, was entrusted to Gadag Municipality by the P.W.D.;

(*b*) if so, why;

(*c*) whether the asphalting work was satisfactory;

(*d*) whether this Road has been handed over to the Gadag Municipality?

A.—SRI T. SUBRAMANYA (Minister for Law, Labour and Local Self-Government).—

(*a*) and (*b*) The Gadag-Betgeri Municipality had requested the Government P. W. D. to execute the work of asphalting the sidewidths at the cost of the Municipality. Accordingly, Public Works Department was taking action. Subsequently at the request of the Municipality, the work was re-entrusted to Gadag-Betgeri Municipality under the directions of the Superintending Engineer.

(*c*) Yes.

(*d*) Yes.

SRI K. P. GADAG.—With reference to (*c*) may I know whether it has been certified by any officer that the work done by the Municipality is satisfactory?

†SRI T. SUBRAMANYA.—I do not know whether it has been certified by any of the P.W.D. Engineers, but the report that I have received from the Deputy Commissioner is that it it satisfactory.

SRI C. S. HULKOTI.—May I know why a second request was made by the Municipality for taking over the work which was originally entrusted to the P.W.D. at their request?

SRI T. SUBRAMANYA.—It was entrusted to the P.W.D. at the request of the Municipality. The Municipality deposited Rs. 50,000 and gave materials worth Rs. 32, 500 in 1955. In spite of that the report was that the P.W.D. did not carry out the work in time. Since there was delay on the part of the P.W.D. in carrying out the work and since the matter was pending from 1947, when the Municipality wanted to execute it by its own agency, Government permitted it.

SRI C. S. HULKOTI.—Is the Government aware that the middle portion of the road was repaired by the P.W.D. before the present repair was undertaken?

† Indicates that the remarks or speeches have not been revised by the member concerned.

Sri T. SUBRAMANYA.—Yes. 12. ft width of road which was taken up by the P.W.D. has been finished. The repair of the sidewidths had to be undertaken by the Municipality because the P.W.D. said that they were prepared to asphalt only 12 ft. of the road going through the town.

Sri C. S. HULKOTI.—May I know why the sidewidths also were not repaired by the P.W.D. ?

Sri T. SUBRAMANYA.—First they did only 12 ft. in the middle of the road. They gave up asphalting the sidewidths. Subsequently, the Municipality said. "You take up the work of asphalting the sidewidths also." They deposited the necessary money, but for 2 or 3 years the P.W.D. did not carry out the work. So the Municipality said: "You give back our money and we will have the work done by ourselves."

Sri K. P. GADAG.—May I know whether Government is aware that the asphalting of the sidewidths done by the Municipality was washed away within six months ?

Sri T. SUBRAMANYA.—I am not aware.

Sri C. S. HULKOTI.—May I know the expenditure on account of this repair ?

Sri T. SUBRAMANYA.—Rs 1, 0505.

Sri C. S. HULKOTI.—Is it not a fact that the P.W.D. repaired this road only in 1958 ?

Sri T. SUBRAMANYA.—It was done in 1957.

Dr. R. NAGAN GOWDA.—Are there qualified engineers in the Gadag Division ?

Sri T. SUBRAMANYA.—I think so.
